Q1. Why should you be hired for this role?

Respected Ms./Mr.

Hello Sir/ Ma'am,

I am Aishwarya P Rajan and I'm pursuing BA. (Hons.) Journalism (1st year) from Delhi university .

I am a creative thinker with a analytical problem solving attitude. I am good with content writing and backend market and trend research. I have interest in interactive sessions for teams to maintain a good positive energy around as I am passionate fitness and dance instructor also. I have chosen this field to explore Communication, Media and Advertisement industry.

I am looking for an internship opportunity at your company. So that I can grow more and learn the whole process with one of the major companies.

Some of my skills are positive and enthusiastic individual, team player , detailed oriented, effective and clear communication, time management, social media management, developing the brand through marketing collaterals and collaborations.

Q2. Are you available for 2 months, starting immediately, for a full-time work from home internship? If not, what is the time period you are available for and the earliest date you can start this internship on?

I can join the internship asap. I will be comfortable with a 2 months period of internship as my exams starts from December
