ACADEMIC PROJECT

“Online Law System”

- The online law system is designed for information of the IPC, court, police station and court location.
- This system includes the process for registration of co-admin for all citizen for knowing information about IPC(Indian penal code),court and police station location It becomes
- necessary to make the citizens aware of all kinds of laws put forth by our constitution against crime so that people come forward to register case against it. This project is executed especially for this purpose. The project online law system is a software system that contains all the laws of IPC so that people can come and search for the law for respective crime. The laws are categorized into different sections according to some keywords. There is also search option available where user can find or search according to his requirement by entering his query. There is also a facility available for users to get contact of lawyers.
