Assessment

Q1. Why should you be hired for this role?

I'm a second year design student pursuing fashion communication and styling , and all the skills required for this job like helping to create content online , making videos etc is something we do on a daily basis for our projects so I think I'll be able to do it

Q2. Are you available for 2 months, starting immediately, for a full-time work from home internship? If not, what is the time period you are available for and the earliest date you can start this internship on?

I am available for 3 months , but as im as college student other than the college timings I'm available for your service for the rest of the hours .
