### **Brief Personality:**

I have completed my bachelors in Journalism and Mass Communication from ISOMES (affiliated with Galgotias University) and I am passionate & wilful about building my career in the field of News Media and Public Relations.

My belief is, whatever happens with you in life is polishing you for the better tomorrow. When you have a hard time it means you got a chance to rethink & improve, if you breakdown you miss this chance.

# **Educational Qualification:**

- Bachelors in Journalism & Mass Communication (2015 2018): ISOMES, Affiliated With Galgotias University.
- High School (2013 2015): Commerce, Hira Lal Public School.

## Professional Learning:

- News Research & Reporting: I have learnt & practiced the methods of aggregating news (English & Hindi languages) from different sources (online, TV, radio, newspapers). I also know how to setup different parameters (topic, latest trend, industry, region, etc) of finding a news, do a detailed go through along with transcription to extract relevant key information and mentioned sources (along with cross verifying it for ensuring credibility), phrasing & editing the news and finally publishing/reporting it.
- **Video Editing:** I have worked on Adobe Premiere Pro tool for cutting/splitting video byte or a story, voice & noise corrections, adding branding, formatting and generic effects for providing final render output.
- **Voice Over:** I have done voice over on different video news stories (some of those were also completely edited by me).
- OBSStudio: I have also done lives treaming on You Tube through OBSS tudios of tware.
- English & Hindi Typing: I can also do typing in both English and Hindi languages.
